INTERVIEW SUMMARY

MS AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant's attorney spoke with the Examiner regarding the pending Office Action on September 1, 2005. Applicant's attorney and the Examiner discussed Applicant's proposed amendments to the claims. Applicant's attorney indicated that Applicant's claimed invention did not interrupt the remote educational session as is the case in the cited Richter reference. The Examiner agreed the Richter reference was distinguishable from the claimed invention and agreed to consider a subsequent after-final amendment.
